PPR Number

(Office Use Only)

A Prior Permission Request (PPR) is required to land at CFB Cold Lake. Requests are processed within 48 hours. Prior Permission Request are bound to the Aircraft. If you are flying in multiple dates, you do not need to file a request for every date but let us know the timings and the requirements for each flight.

Lift messages are considered a PPR. Canadian Military Aircraft do not need to submit a request, however they do need to coordinate flight information and requirements with 4 Wing Cold Lake at least 24 hours in advance.

A waiver and indemnification (page 3) is required for Civilian aircrafts and Non-NATO countries. Authorisation will not be issued until a signed waiver has been received by 4 Wing Operations. Please be aware that 4 Wing Cold Lake is an active military air base and reserve the right to cancel or revoke any PPR and requirements at any point in time.
