

April 21st, 2023

EFC operates an advanced fleet of aircraft & provides flight training at all levels from recreational to Commercial Multi Instrument rated.

EFC is a registered non-profit organization, with the sole aim to provide affordable flight training services to help our students fulfill their dreams of flight and find meaningful work in the aviation industry.

We are passionate about flying and it shows...

To whom it may concern;

This letter is a kind request for a donation for the Edmonton Flying Club's Silent auction to be held at the annual Wings Banquet on June 10th, 2023.

This year's event is our 96th year of celebration!

At each of these banquets, pilots are awarded with their wings after completing licenses and ratings. This is a graduation banquet for all their hard work and dedication to learning to fly.

At this event we host a silent auction to help cover the cost of the graduate's tickets as well as to generate funds for future scholarships.

If you or your company would like to donate in cash or in kind for our auction, we would not only be forever grateful but will ensure all those who attend know that your donation came from you or your company. We will also recognize you or your company in our next newsletter and on our social media sites.

If you are looking to become a sponsor of the event there are sponsorship packages available for \$500 and your company will be recognized throughout our newsletters, social media and with a sign on our wall of appreciation in our hangar for one year.

For more information, please feel free to contact us.

*Thank you for your time and consideration.
Sincerely,*

*Hannah Mckay
